# Fabric Draping

Nothing dresses a room quite like fabric draping! For the ultimate transformation, free flowing panels of voile fabric in any colour can be draped on windows, entrances, staircases and ceilings to create a romantic ambience to your chosen venue. Drops of fabric can also be used to hide pictures or unsightly walls or to create VIP lounge areas for your guests.

We have a variety of fabrics and designs for you to choose from in every colour imaginable.

## Swagged Drape Style:

Deep rich swags, elegantly gathered, soften and create a luxurious feel to almost any event space. Whether accented with glowing starlight points or a custom coloured lighting design, this is the style most often seen in ceiling draping. We are only limited in our design by the attachment points available.

## Flat Drape Style:

Created by spreading the fabric out horizontally, lengthwise or width wise in the room giving a gorgeous canopy effect. Most effective at hiding an unattractive ceiling and perfect when projected with coloured lighting effects or dressed with hundreds of fairy lights!

## Modern Linear Designs:

For a very sharp linear design or to create a very dynamic space, we can drape voile in sleek linear fashion or stretch spandex shapes in space. The design possibilities are limitless!

**Ceiling/ Wall drapes - prices available on request**  
**Please contact us today on tel: 0845 269 2189**

We also do:

Top Table Swagging from	£40
Cake Table Swagging from	£30
Fairy Lights from	£6

# Lighting & Backdrops

In addition to ceiling draping or perhaps instead of it consider the benefit of beautifully designed lighting in your venue. Some venues have unattractive lights which can't be dimmed for better ambience. Perhaps you would like a very dramatic atmosphere. Almost any lighting dilemma can be resolved using our custom lighting design. It's one of the most cost-effective ways to transform a room as well. We also supply starlit backdrops and dance floors complete with twinkly lights.

## Accent Lighting:

A few well placed fixtures accent and highlight features in a room, without any dramatic effect to the overall of the room. For example up-lighting a backdrop or entrance drawing particular attention to that area, or adding an accent of coloured light to draping in a room with other lighting.

## Atmospheric Lighting:

A much more dramatic use of light, where the lighting effect takes over from, and perhaps even replaces the usual room lighting. Your event is immersed in the coloured lighting and the appearance of everything is affected by the lighting. This type of lighting is very effective at creating a memorable ambience.

**Accent packages from £250**

**Atmospheric packages from £700**

<b>Starlit Backdrop from</b>	<b>£250</b>
<b>Starlit Dance Floor from</b>	<b>£750</b>
<b>LED Curtain Lights 2x 2.5m</b>	<b>£40</b>
<b>Connectable Fairy Lights</b>	<b>£15 each</b>
<b>Battery Operated Lights</b>	<b>£6 each</b>

# Customer Comments

**“Just a wee email to say thanks for yesterday. The tables and chairs looked fantastic. Loads of the guests made comment. It really set things off. You helped to make my day stress free and perfect. Thanks again.”**

**Sharon McEwan, Eastwood House June 2010**

**I was absolutely thrilled at how everything looked...it was perfect and just how I imagined it to be. A lot of the guests said it was the best wedding they had ever been to and your hard work with the decorations was part of what made the day fantastic. Everyone was raving about the table centrepieces all day and even two weeks after, people are phoning me up and asking who I hired to dress the room. I will be recommending you to any of my friends that are getting married.**

**You have been utterly professional and imaginative throughout our correspondence prior to the wedding and I really appreciate all your hard work. I was blown away when I walked down the aisle and saw it all and also when I walked into the reception room.**

**I just wanted to let you know that I loved everything, thank you, you it made the day really special for us.**

**Laura Plaistow, The Lodge on Loch Lomond August 2010**

**Back at work now after the wedding and honeymoon. Just wanted to drop you a quick line to say thanks for everything on the 21st - the place looked great, we loved it! Happy to nominate you for a VOWS award. Good luck!**

**Eleanor Devlin, The Universal August 2010**

**I just wanted to thank you very much for the fab chair covers. The room looked stunning and I am so grateful to you. We had a great night and raised over £54,000 for the charity. So well worth doing. I'll be in touch for next year's Ball.**

**June Wagner – Full Circle Charity Ball at Hilton Hotel, October 2010**

“Your hard work, creativity & knowledge was invaluable in helping us plan our wedding day, you took my breath away when I saw how beautiful the reception was, you completely transformed it, it was even better than I imagined, like a fairytale come true! Thank you so much”
